Ka-DAYO SPORTS

TEAM WAIVER & CONSENT

Release of liability, medical consent and publicity / data privacy consent · v2 (2026), effective October 20, 2026

League _____ Division _____

Team name _____ Season _____

This form is signed once per team by the head coach, on behalf of the whole team and every player listed on page 2. By signing, the head coach agrees to the terms below for the league, division and season named above and takes responsibility for the team as described in part 6. The same form is used for every Ka-Dayo Sports league and division.

1. Risks of the sport and players' health

Basketball is a contact sport. Players can be injured, for example by falls, collisions, sprains, fractures or heat. The head coach understands these risks and is responsible for the well-being of every listed player during league activities. The head coach confirms that every listed player is fit to play, and will tell the organizers before the game about any player's injury, illness or medical condition that could affect their safety, and keep that player out of the game when needed. Ka-Dayo Sports provides first aid at games but does not provide medical or accident insurance unless the league says so in writing.

2. Release of liability

The team agrees that Ka-Dayo Sports, its organizers, officials, statisticians, volunteers, sponsors and venue owners are not responsible for injury, illness, or loss or damage to belongings that happens during league games, practices held by the league, or travel to and from them, and that no claims will be brought against them for it, to the fullest extent the law allows.

3. Medical emergencies

If a player is injured or becomes ill and the parent or guardian cannot be reached, the league and the head coach may arrange first aid and take the player to the nearest hospital or clinic for emergency treatment. The family pays for any treatment.

4. Publishing and data privacy consent (Republic Act No. 10173)

The team allows Ka-Dayo Sports to publish on its website, its social media pages and game livestreams: the player's name, photos and game videos, team, jersey number, position, game statistics, results and awards, age in years, height, weight, hometown, school and grade level, and the "Age checked" badge. Ka-Dayo Sports will never publish the player's date of birth, phone number, address, documents, payment details or medical information. The PSA birth certificate and school or valid ID are used only to check eligibility, are kept in private storage, and are deleted one year after the player's last season. A parent or guardian can withdraw this consent, ask to see or correct a player's information, or ask for a photo or profile to be hidden at any time through the Contact page of the website. Official game results remain part of the league record. Full details: www.kadayosports.com/privacy.

5. Rules and conduct

All games are played under the official tournament ground rules of Ka-Dayo Sports (www.kadayosports.com/rules) and the official FIBA basketball rules. The head coach is responsible for the conduct of the players, staff and supporters of the team on and off the court: they respect referees, officials and opponents, and accept the league's decisions. The league may suspend or remove anyone for misconduct.

6. Head coach's undertaking and responsibility

I am the head coach of this team and I sign for the whole team. I take responsibility for the team and every player listed on page 2 in league activities. I confirm that: (a) the information given for the team and its players is true; (b) I have explained this form to each player and to the parent or legal guardian of every player under 18, and they have agreed to it, including the publishing and data privacy consent in part 4; (c) I am responsible for my players' well-being and conduct, and I will tell the organizers before each game about any player's medical condition, and at once if a parent or guardian withdraws consent or a player leaves the team; and (d) I will answer to the league, and to the families, for any claim that arises because this confirmation is not true. The league may ask a parent or guardian to confirm their consent directly at any time.
